Once again it is almost that time of year: FUN, SUN, and “SPRING BREAK VACATION”. Webster defines vacation as a period of time devoted to pleasure, rest, or relaxation, especially one with pay granted to an employee. I agree with Webster’s definition, but I would add “Paid in Full” and Absolutely NO Debt.

As I always say, you should always have a plan; and the first action in your plan should be to figure out how you can take an affordable paid in full Spring Break Vacation.

Most vacations on average cost between \$500 to \$4000 depending on your destination and time of the year. So once you figure out the cost of the trip, you should start immediately setting aside money after each paycheck.

If your trip cost \$1000 you only have to save around \$83 a month for 1 year to have it paid in Full. If you get paid twice a month, that is only \$41 a paycheck. Just think, you can really enjoy your vacation knowing it is Paid in Full. You don’t have to dread that credit card statement coming a month after your vacation wondering how you are going to pay for it.

Even with your vacation being paid in full, you still can find ways to save money. Before leaving on your trip, search the web for deals, restaurants that have kids eat free deals, buy 1 get one free coupons. If possible you can find hotels with full kitchens so you can purchase groceries and cook your own meals.

If you cannot wait an entire year to save, then there are some other options to consider for vacations. I always like the FREE options that can be educational, relaxing and entertaining at the same time. You can take a mini-vacation right in your own hometown.

For my York County family, you can visit the Native American Cultural Center or float down the Catawba River. You can stroll through beautiful Glencarin Garden. Pack a picnic and watch the sunset from lakeside picnic shelters or take a trip to Lake Wylie for fishing and recreational boating. You can also visit River Park which is a seventy-acre park along the Catawba River which has a picnic area, kayak/canoe launch, outdoor classroom, and several miles of scenic trails. So as you see, these are just a few things in your own backyard that you can do to create a reasonable/cost-effective vacation.

So if you didn’t do it for this year, start today for next year’s Spring Break!

Greeting Brothers,

As we live and reflect, let us be careful to acknowledge our Risen Savior Jesus the Christ.

With all of the natural disasters, taking place in the world, and storms that we encounter in our lives it is important to know that there is ONE who rose so that we would know there is Peace and Eternal Life.

Matthew 28:6 He is not here: for he is risen, as he said. Come, see the place where the Lord lay. **7** And go quickly, and tell his disciples that he is risen from the dead; and, behold, he goeth before you into Galilee; there shall ye see him: lo, I have told you. **8** And they departed quickly from the sepulchre with fear and great joy; and did run to bring his disciples word. **9** And as they went to tell his disciples, behold, Jesus met them, saying, All hail. And they came and held him by the feet, and worshipped him. They took hold of his feet when they saw HIM, which shows that this is no mere vision or hallucination but a physical resurrection. By allowing this act of worship, Jesus acknowledges to HIS followers of HIS deity.

Let us remember who Christ is, and what Christ has sacrificed for us during this season.

For without HIM nothing was made.
Be blessed!
