## Thoughts for Your Future

Kappa Alpha's Financial Corner "Dollars and Sense" by: Brother Isaiah Venning

For the year 2012 we are following the S.M.A.R.T. goal campaign 2.0.

- ◆ Specific
- ◆ Measurable
- ◆ Attainable
- ◆ Realistic &
- ◆ Timely
- ◆ Savings Plan

I have several goals which I would like for us to accomplish by the year 2020.

Now I know that sounds so far away, but remember the year 2000 sounded far away back in 1990 and look its already 2012.

Many people make excuses why they are not able to save money.

Here are some tools and advice to eliminate those barriers.

10 years from today, many of us will be celebrating 20 years in the Frat, 30 years out of high school or even 40 years of marriage.

Whatever your case may be, we want you to be financially secure over the next 5 to 10 years.

What option will you choose?

Will you be a Hundred-naire; Thousand-naire, Ten Thousand-naire or a Hundred Thousand-naire.

The easiest way to save for that "naires" status with little or no effort on your part is to put into savings your entire tax refund. Open up a separate savings account and

when you receive your refund deposit the check or electronically transfer the funds into the new account.

For the most part your tax refund will range from \$300 to \$3000. By saving this amount alone gives you the potential to have saved \$3,000 to \$30,000 in 10 Years effortlessly.

Brothers the past several years has been a challenge for all. Now is the time to make sure if we ever face another economic crisis we are in better shape to face it head on.

## Omega's Biblical Reading

by: Brother Derrick Barksdale

Brothers as we take on the New Year know that we were made to satisfy the glory of God.

**Ephesians 1st Chapter Verses 3 - 7**

*3 - Blessed be the God and Father of our Lord Jesus Christ, who hath blessed us with all spiritual blessings in heavenly places in Christ:*

*4 - According as he hath chosen us in him before the foundation of the world, that we should be holy and without blame before him in love:*

*5 - Having predestinated us unto the adoption of children by Jesus Christ to himself, according to the good pleasure of his will,*

*6 - To the praise of the glory of his grace, wherein he hath made us*

*accepted in the beloved.*

*7 - In whom we have redemption through his blood, the forgiveness of sins, according to the riches of his grace;*

Brothers as we start the New Year understand the maker holds the rights to the product. The maker can choose what the intended use of the product is. Let us truly live 2012 by the fact that all praise, honor, and glory will go to God's glorious grace, that grace whereby the elect of God are saved.

God chose us with the goal that we be holy and blameless before him. This goal is not optional for Christians it is the result of election.

Holiness expresses moral purity, while blamelessness expresses freedom from the guilt of trespasses and sins in which the Christian formerly walked.

Brothers once we understand and focus on our purpose we can truly live life knowing we will reach our Goal.

What is our ultimate goal in life Brothers, and are you following the plan?

Fraternally,  
Rev. Derrick Barksdale
